

INTERNATIONAL CONFERENCE

**ROLE OF PHARMACOGENETICS IN RATIONAL DEVELOPMENT AND
PERSONALIZATION OF DRUG TREATMENTS***Pisa, Italy, 28-29 October 2004***Preliminary program****Ethical challenges of pharmacogenomics****PETER LIPTON**Department of Hystory and Philosophy of Science University
of Cambridge
Free School Lane, Cambridge CB2 3RH, UK**Multidrug resistance in epilepsy and drug-
transporter genes****SANJAY SISODIYA**Department of Clinical and Experimental Epilepsy
UCL Institute of Neurology
London WC1N 3BG, UK**Pharmacogenetics of Parkinson's disease****THOMAS GASSER**Department of Neurodegenerative Disorders
Hertie – Institute of Clinical Brain Research,
University of Tübingen
Tübingen, Germany**Pharmacogenomics in schizophrenia: issue for
individualized therapy****MARTIN SCHÄFER**Department of Psychiatry and Psychotherapy
Charité – University Medicine Berlin
Campus Charité-Mitte, Berlin, Germany**Prostate cancer: polymorphisms in genes that
regulate androgens and androgen receptor****WILLIAM D FIGG**Clinical Pharmacology Research Core
National Cancer Institute
Bethesda, Maryland, USA**Molecular mechanism of resistance to
anticancer drugs – the role of ABC family****ALEX SPARREBOOM**Clinical Pharmacology Research Core
National Cancer Institute
Bethesda, Maryland, USA**Predictive markers in colorectal tumors:
Pharmacogenetics and treatment selection****EDWARD CHU**Department of Medicine
Yale Cancer Center - Yale School of Medicine
West Haven, Connecticut, USA**Pharmacogenetics of immunosuppression in
organ transplantation****IAIN AM MacPHEE**Division of Renal Medicine
St. George Hospital Medical School
Cranmer Terrace, London SW17 0RE, UK**Pharmacogenetics of methotrexate in
rheumatoid arthritis****SHARON MARSH**Washington University School of Medicine
660 S. Euclid Ave, Campus Box 8069
St. Louis, Missouri 63110, USA**Pharmacogenetics and heart failure****FILIPPO CREA**Institute of Cardiology
Catholic University
Rome, Italy**Pharmacogenetics of biological therapies for
inflammatory bowel disease****STEPHAN R TARGAN**Inflammatory Bowel Disease Research Center
Cedars-Sinai Medical Center
8700 Beverly Boulevard, Los Angeles California, USA

Hieronymous Bosch – Musicians Hell (1510) Prado - Madrid

**Pharmacogenetics and drug responders:
Theoretical background and practical
problems****MUNIR PIRMOHAMED**Department of Pharmacology and Therapeutics
The University of Liverpool
Liverpool L69 3GE, UK**Interest of pharmaceutical industry on
pharmacogenetics****ALLEN D ROSES**GlaxoSmithKline Research and Development
Genetics Research - Research Triangle Park
North Caroline 27709, USA**European regulatory perspectives towards
pharmacogenetics****MARISA PAPALUCA-AMATI**Sector of Clinical Safety and Efficacy
EMA, London E14 4HB, UK**Cost-effectiveness and cost-benefit
analysis of pharmacogenomics****PATRICK G JOHNSTON**Cancer Research Centre
Queen's University
Belfast, N. Ireland, UK**CHAIRMEN****MARIO DEL TACCA**
ROMANO DANESI**SCIENTIFIC SECRETARIAT****CORRADO BLANDIZZI**
ANTONELLO DI PAOLO
GUIDO BOCCI**ORGANIZING SECRETARIAT****Academic Studio Congressi**
Via Marmiceto 6/B – 56121
Pisa – Italy**Tel +39-50-984400**
Fax +39-50-984419**E-mail: academicstudio@edbusiness.it**
